

**Eliminate Rust and Corrosion with our Galv/Alum Coated Steel Gas Bottle and Cylinder Storage Cages**

- Highly durable galv/alum coating provides superior rust/corrosion protection over standard coatings
- Multiple configurations provide flexible storage options
- Removable shelving allows easy switching from storing cylinders or bottles
- Doors are padlockable for added security
- Designs comply with NFPA and OSHA regulations
- Ships fully assembled

**► Complies with NFPA codes and OSHA regulations.**

**\$ 1,210.00**

*Double Cylinder Cage provides room for up to 20 gas cylinders. Order No. L62-3255*

**\$ 1,552.00**

*Shelf design makes retrieving gas bottles safe and easy. Order No. L62-3270*

**\$ 1,351.00**

*Removable shelving makes switching from storing bottles to cylinders quick and easy. Order No. L62-3260*

▶ **Need to know more about gas storage regulations? Give our technical sales staff a call.**

Add a floor plate to these cages to allow easy relocation/positioning by forklift as well as providing a level and dry base for the upright cylinders

- Pad-lockable hinged doors provide secure storage and prevent unauthorized access
- Floor provides level surface for cylinders when placing structure over gravel, uneven pavement, or areas where puddles may occur
- Four-way forkliftable for easy relocation
- Expanded metal sides and doors allow natural ventilation and visual inspection of cylinders
- Corrosion resistant finish- Choose between painted and galv/alum coatings
- Meets OSHA & NFPA regulations
- Anchor plates for securing structure
- Ships fully assembled
- Optional Ramp available, Order No. L62-3122, **\$ 419.00**

Bases can be ordered separately for retrofitting to existing floorless cages

► **Lightweight polyethylene combined with rugged design for long lasting life in the harshest industrial / commercial environments.**

**Gas Cylinder Carts**

- Provides secure transport of single cylinders up to 12" diameter
- Sturdy straps included for extra safety during transport and storage
- Extra large footprint of base provides stability when standing
- Solid rubber tires have a diameter of 7 5/8" (200mm)
- Load capacity: 176 lbs (80 kg)

*Poly Gas Cylinder Cart.*  
*Dimensions: W x D x H (in):*  
*19 x 25 x 43.*  
*Order No. K52-1210*

**\$ 376.00**

*Poly Gas Cylinder Cart with Rear Support Caster*  
*Dimensions: W x D x H (in):*  
*19 x 32 x 43.*  
*Order No. K52-1220*

**\$ 297.00**

Gain efficiency during winter with our Gas Cylinder Heating Blankets-see page 182.

**\$ 394.00**

**Gas Cylinder Transport Caddy for Forklifts**

- Provides safe forklift transport for up to 4 cylinders up to 12" diameter each
- Poly construction provides long lasting rust-free appearance
- Sturdy straps included for extra safety during transport and storage
- Extra large footprint of base provides stability when standing
- Fork Pocket Dimensions: W x H (in): 6 5/8 x 3 1/8
- Load Capacity: 660 lbs. (300 kg)

*Poly Gas Cylinder Caddy.*  
*Dimensions: W x D x H (in):*  
*44 x 24 x 43.*  
*Order No. K52-1225*

**\$ 800.00**

Single frame for 9" cylinders.  
Order No. K52-1160

**\$ 1,200.00**

Double Cylinder Cart.  
Order No. K52-1162

## Aluminum Cylinder Carts

- Choose single or double tank carts
- 12" Pneumatic tires for easy transport
- Hand brake gives extra control on ramps
- Sliding frame on double cart accommodates single cylinders to 20" diameter
- Security strap on double cart, security chain on single.
- 1 5/16" aluminum tube construction is strong but lightweight
- Durable, extended life construction
- Capacity: 600 lbs. (both models)

**\$ 204.00**

Order No.  
K52-1161

**new**

## Cylinder Cart with Semi-Pneumatic Wheels

- Wheels ease handling over rough, uneven terrain
- Continuous handle eases control / manipulation
- Solid bottom plate also supports boxes or other bulky items

## Portable Lifters

**Lift - Transport - Dispense - Dump**

Safely transport gas and cryogenic cylinders. Adjustable cylinder claw and two ratchet belts secure cylinders. The small footprint is ideal for negotiating narrow aisles and doorways, and the sturdy construction provides stability and years of dependable use.

- Hydraulic pump raises cylinders 21" off the floor
- Two front fixed wheels to roll smoothly over any surface
- Rear swivel caster with brake
- Solid steel construction
- Dimensions: 39"L x 36"D x 78"W
- Capacity: 800 lbs.
- Shipping Weight: 295 lbs.

**\$ 2,425.00**

Order No. K52-3119

**new****\$ 406.00**
 Order No.  
 K52-1195

## LP / Gas Bottle Caddy

- Safely and securely transport up to six (12" x 24") gas bottles via forklift with this Gas Bottle Caddy
- All steel construction stands up to the harshest industrial environments
- Attached safety chains hold tanks in place during transport
- Dimensions: 38"W x 41"L x 29"H
- Shipping weight: 278 lbs.

## Single and Double Gas Cylinder Cart with Tilt-Back Swivel Casters and Semi-Pneumatic Wheels.

The wheels make all the difference! Choose between one or two cylinder models; durable design holds up to harsh environments, wheels make transport easy over rough floors; tilt back design is supported by swivel casters for added ease of handling and stability. Handles 330 cu. ft. cylinders.

**new**
 Order No. K52-1163 (single).  
 \$ 348.00

 Order No. K52-1167 (double).  
 \$ 443.00
**from \$ 348.00**

## Double Gas Cylinder Cart with Tilt-Back Swivel Casters

Makes transporting dual cylinders easy. Once cylinders are loaded, caddy leans back and is supported by two swivel casters. Holds up to 350 lbs.

**\$ 135.00**

Order No. K52-1169

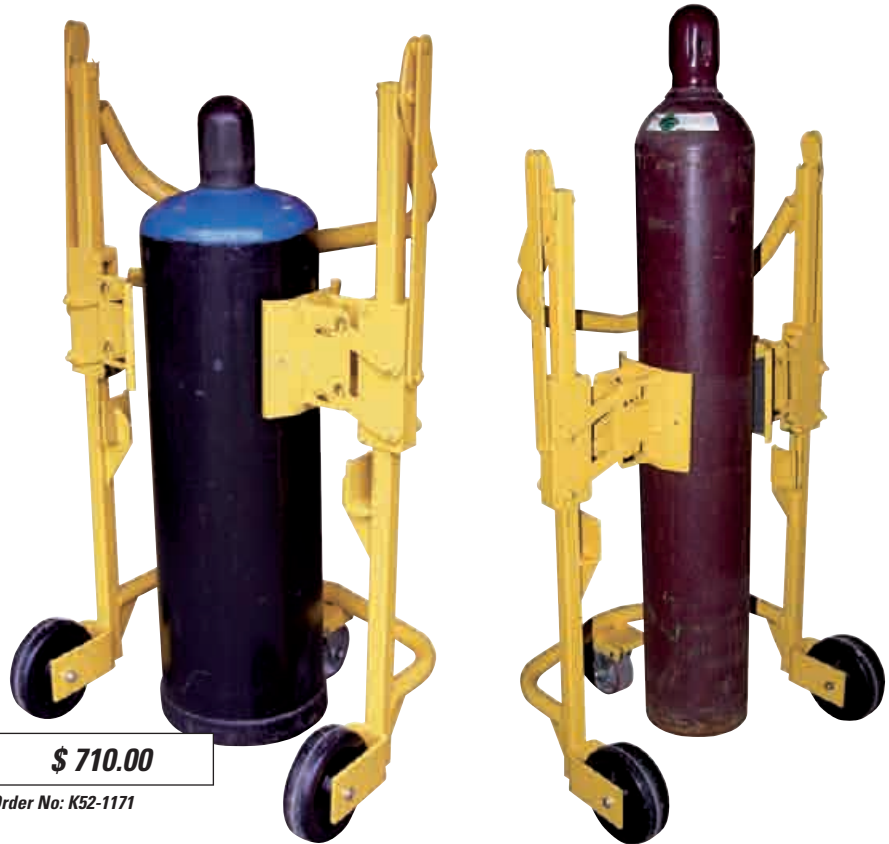

**new**

## Transport Gas Cylinders Safely and Easily Simply Grip, Lift, and Move

Design minimizes need for personnel to manhandle cylinders

### Standard Features:

- Designed for lifting and moving gas cylinders
- Works with cylinder diameters between 8 1/2" - 12 1/2"
- Simply pull handle down and unit grips and lifts cylinder
- Lifts 8 1/2" dia cylinders 3 1/4" off ground
- Lifts 12 1/2" dia cylinders 2 3/4" off ground
- Includes two rigid and one swivel caster
- Welded steel construction with painted yellow finish
- Dimensions: 30"W x 23"L x 53"H
- Weight 89 lbs.

## Gas Cylinder Caddies

- ▶ Move cylinders easily and safely with forklift or by hand.
- ▶ Choose from three unique styles!

*Top Lift design traps cylinders between forks for extra stability.*  
Order No. K52-1170

*Bottom Lift Caddy holds a full 8 cylinders.*  
Order No. K52-1180

*Supplied with heavy duty casters including swivel / braking on rear, the push caddy makes cylinder transport safe and easy.* Order No. K52-1190
